0,4 l **Craft Beer from Zemský Brewery**

Typical Czech pale draught beer. Our House beer has a wonderfully full and distinctive taste, balance and higher hopping, which makes it taste like a strong lager.

This unfiltered pale draught beer was fine-tuned by the brewer's yeast itself, which provided the consumers with a chance to fully savour the beer's bitterer, fuller and even more refreshing flavour. Fine tuned beer needs special care, therefore it is offered only in selected bars. Contains vitamin B and antioxidants.

Our Pilsener lager is significantly fuller than almost any other lager and is distinguished by its heavier body. Based on an original recipe from 1920s, this lager is unpasteurized and brewed with premium ingredients. Honey-colored with a sparkle, heavy body, rich and long-lasting head.

Dark draught beer with made of 4 different types of malts including a dark caramelised malt. This beer has an unusual dark foam.

Our favorite semi-dark beer is prepared from House Beer and Kozel Dark Beer. Mixed half-and-half it has a pure malt caramel flavor delivered from roasted malt barley, balanced with a pronounced hop bitterness and lingering aroma of dark chocolate and lovely caramel. Its darker color has a distinctive sparkling garnet tinge with a rich head.

House beer mixed half and half with lemonade. Despite the low alcohol, keeps fine beer bitterness which combines with the refreshing taste of lemon.

Did you know that a microbrewery (or craft brewery) is a brewery that produces small amounts of beer typically much smaller than large-scale corporate breweries? Such breweries are generally characterized by their emphasis on quality, flavour and brewing technique.
