beers

100 CZK | € 4 (0,4 l)

house beer (4,8 % alc.)
pale lager (svijany brewery)
a typical czech pale draught beer (our house beer) has a wonderfully full and distinctive taste, balanced and more heavily hopped, which makes it taste like a strong lager

club beer (5 % alc.)
unfiltered wheat beer (svijany brewery)
this unfiltered pale draught beer was fine-tuned by the brewer's yeast itself, which allows guests to fully savour the beer's bitterer, fuller and even more refreshing flavour

pils (5 % alc.)
pilsener lager (svijany brewery)
our pilsener lager is significantly fuller than almost any other lager - distinguished by its heavier body and based on an original recipe from the 1920s, this lager is unpasteurized and brewed with premium ingredients

jazz & blues special (4,3 % alc.)
semi-dark beer
our favorite semi-dark beer is prepared from house beer and kozel dark beer, it has a pure malt caramel flavor delivered from roasted malt barley, balanced with a pronounced hop bitterness and lingering aroma of dark chocolate and lovely caramel

kozel (3,8 % alc.)
dark lager (velké popovice brewery)
honey-colored with a sparkle, heavy body, rich and long-lasting head, dark draught beer is made of 4 different types of malts including dark caramelised malt
