## draught beers

100 CZK | € 4 (0,4 l)

### house beer

#### pale draught lager

(4,8 % alc.)

a typical czech pale draught beer (our house beer) has a wonderfully full and distinctive taste, balanced and more heavily hopped, which makes it taste like a strong lager

### club beer

#### unfiltered wheat beer

(5 % alc.)

this unfiltered pale draught beer was fine-tuned by the brewer's yeast itself, which allows guests to fully savour the beer's bitterer, fuller and even more refreshing flavour

### pils

#### pilsener lager

(5 % alc.)

our pilsener lager is significantly fuller than almost any other lager - distinguished by its heavier body and based on an original recipe from the 1920s, this lager is unpasteurized and brewed with premium ingredients

### golden zero

#### non-alcoholic fruit beer

(0 % alc.)

an unmistakable blend of the exotic citrus yuzu and aromatic bergamot, perfectly balanced with non-alcoholic beer, ideal for a refreshing moment in a jazz club or while relaxing with friends

### jazz & blues special

#### semi-dark beer

(4,3 % alc.)

our favorite semi-dark beer is prepared from house beer and kozel dark beer

### kozel

#### dark beer

(3,8 % alc.)

honey-colored with a sparkle, heavy body, rich and long-lasting head, dark draught beer is made of 4 different types of malts including dark caramelised malt

### radler | shandy
